Icon Intro: We are offering cash bonuses for referring business owners to Pinnacle.

By Ron Rice

We appreciate working with you and Sport Clips. Pinnacle has expanded our offices and our support staff. We are fully ready to support your needs and we are ready for a major expansion of business. Besides Sport Clips, Pinnacle administers other hair industry clients but also many other types of businesses, such as restaurants, stores, construction companies, and offices. We help those owners in the same way we help your business.

If you know a business owner and refer them to us, we will send you a \$25 bonus if we can able to do a proposal for that owner. We will send you \$100 (or more) if the owner becomes a client of Pinnacle! All you have to do is email your name, the owner's name, owner's phone number and owner's email to us at [ron@peosales.com](mailto:ron@peosales.com). We will personally call the owner to make an introduction.

Businesses love Pinnacle because of our fine administrative services, insurance products, HR support, benefits for employees, and outstanding customer service. We've been working with Sport Clips Team Leaders for 16 years!
