Your DNet2.0 Profile View

Having a DNet2.0 account provides you with a variety of features. Upon login, you are presented with menu access to:

- View paycheck information
- Update your personal information
- Update or add Direct Deposit
- Access to your Form W-2

The dashboard view displays key data and is designed to provide you with a quick reference to your most common payroll information.

DNet2.0 Can Compliment You

Enjoy the benefit of personalizing your DNet2.0 account by adding your photo and by selecting a color theme.

Upload the photo of your choice with the "My Info" feature. Keep in mind this photo should be work appropriate and will be seen by your employer.
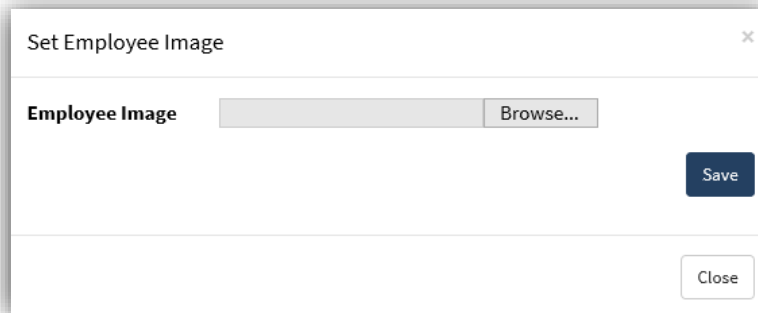

The "Preference" feature gives you a list of color theme options to select from, for your DNet2.0 dashboard.
