Employee Benefits: As a PEO, Pinnacle sets up large group insurance policies for Health Insurance, Dental, Vision, Life Insurance, Disability, Accident Policies, 401(k) and other benefit options. These benefits are reasonably priced because of Pinnacle’s buying power nationally. We can negotiate pricing based on a larger number of eligible enrollees. Pinnacle is also able to negotiate a more flexible arrangement, where there is no minimum number of participants required and no requirement for an owner to contribute to the cost. You can offer benefit options that we administer for you, without any cost to the business! That’s a big advantage!
