

Employee View DNet2.0

DNet2.0 provides Team Members with significant work-related information. Upon login, they have access to their Dashboard menu, 10 most recent paycheck stubs, and current news/announcements. A history of paycheck stubs is readily available and printable under the Payroll feature of your Team Members menu.

The **My Info** drop down list consist of: address info; preferences; and an employee calendar. Under **Info**, Team Members have the option of leaving themselves notes. To do this, they simply click on the  icon, choose Add New Note, enter information and then click Save. Entered notes will be displayed as seen below.
