

## DNet Dashboard for Owners

Are you using Pinnacle's DNet online portal? Pinnacle has an online dashboard for our clients. The owner or a designated owner representative can get a User Name and Password to view data on all your employees. There is no charge for this service! Some of the information you can see:

- Employee info, such as address, W-4 status
- Pay stubs
- Pinnacle invoices
- Trend charts
- Payroll reports
- Year-end reports, including W-2's
- Document storage
- Onboarding of new hires
- Notices to employees

Pinnacle's IT Department is available to assist you. Not a bot or chat room, but actual people! Call (210) 344-2088 and ask for the IT Department.
